

Instruction to the Authors

www.advancesinlifesciencesjournal.com

The journal of Advances in Life Sciences is essentially devoted to the publication of original research papers on all aspects of lifesciences. All papers and short communication submitted to must be unpublished original works. The manuscripts in English should be in a finished form and typed on one side of A4 size paper and double spaced throughout with ample margins. Pages should be numbered consecutively beginning from the title page. Text in any format (tables and figure included or separately) on CD in MS word with two hard copies or sent through email to *alsjournals@gmail.com* as attached file (s) is preferred since it saves retyping.

Research Papers: Each full length of research papers should be covered within 1500 words including tables and illustrations. Short communication should be within 175 words including tables, figures and references, in case of exceeding the limit, payment has to be made for extra materials by the authors. Correct language is the responsibility of the author. No editing or materials changes at the proof stage will be permitted. While short communication will have only title (Bold), authors name (Capital Letters), address and *e-mail* followed by text and literature cited (All in Capital letters and bold). In case of full length paper authors should have the following headings.

Title : The title to be typed in capital and small letters, author names (all capital) and affiliation (capital and small letters with italics fonts). Give e-mail address in italic fonts also. Manuscript must confirm to the journal style (see latest issue)

ABSTRACT : The abstract should indicate the main findings of the papers and typed in **bold, single space**. It should be not more than 150 words. The abstract should be typed before the main text and intended ca. 2cm to the right of it.

Key words : 5-6 key words in italics should be given.

Tables and figures Table should be descriptive without and references to the text with heading in bold letters. Each table should be typed on a separate sheet. Figures whether line drawing or graph should be of good quality. Legends to figures should be given on a separate sheet. Tables and figures should be numbered consequently in Arabic numerals (**Table 1., Table 2., Fig.1., Fig. 2,3**) can be identified on the back by name (s) of the author(s).

Introduction : This should be brief and related to aim of the study. The review of the literature should be pertinent to the theme of the paper. Extensive review and unnecessary details of earlier work should be avoided. Heading "introduction" should not be written.

MATERIALS AND METHODS : When methods are well known, citation of the standard work is sufficient. All measurement should be in metric units.

RESULTS AND DISCUSSION : The result should be supported by brief and adequate tables, graphs and charts, wherever needed. In the text, references should be cited as follows: two authors (Ali, and Pervez, 2005), three or more authors (Gaugler, *et al.*, 2001)

LITERATURE CITED : All references made in the text must be listed under **LITERATURE CITED** at the end of the text, should be listed alphabetically by the authors, followed by the year of the publication. Journal titles should be cited in full, while for books the place of the publication should precede the name of the publisher, Example : Strong, D.R. 2002. Population of entomopathogenic nematodes in food webs. *In: Entomopathogenic Nematology*, (ed.Randy Gaugler) CAB International, ix + 387. pp. 225-240.

Fox, P.C. and Atkinson, H.J. 1984. Glucose phosphate isomerase polymorphism in field population of the potato cyst nematode, *Globedera rostochiensis* and *G. pallida*. *Annals of Applied Biology*, **104**(1):503-506.

Submission of manuscript : Duplicate copies of manuscript along with soft copy (CD) should be submitted to the Dr. R. Ahmad, Editor in Chief, Advances in Life Sciences, Ivory-6 Apartment , S-2 , 2nd Floor, Near Government School , Khoefiza, Bhopal-462001, Madhya Pradesh. The text may sent through e-mail to *alsjournals@gmail.com*
